

A collection of classic prints & luxurious waterproof weaves infused with contemporary influences for use in nursing & care homes

RYEDALE is a quintessentially English collection of printed fabrics and waterproof weaves designed & coloured with nursing & care homes in mind.

An elegant mixture of timeless and up-to-the minute contemporary fabrics enable nursing and care homes to recreate the style and luxurious surroundings usually found in 5 star hotels.

Timeless Elegance

Contemporary Influences

RYEDALE consists of 5 designs printed onto inherently flame retardant polyester for use as curtains, bedspreads and loose cover upholstery.

HAMBLETON a classic floral print reminiscent of the English countryside, LANGDALE a herringbone stripe and ROSEBERRY a sophisticated tonal toile, all evoke the grandeur of an English country manor and bring a timeless elegance to nursing and care homes.

ELLER an uncomplicated modern floral design and the simple scroll of HELMSLEY help give a contemporary edge to interior schemes.

The printed fabrics are perfectly complemented by two woven textures, HARRIS and DICE which have been coloured to work in harmony with the prints and have the added advantage of being waterproof, breathable, anti-microbial, soil resistant and flame retardant to crib 5 for severe contract fixed upholstery. The collection is completed with Nevada a co-ordinating plain fabric and 5 delicate voiles.
